

FRANZ BURGER[®]

fresh | natural | made here

HAND MADE

Franz Burger was born from the passion for good food,
tasty food, well-made food.

It was born from a family passion and the desire
to rediscover a street food classic.

Within the walls of Franz Burger we have enclosed all the things we like:

Our family, quality products, cold beer and chatting with friends!

Our menu consists of burgers, but also starters, side dishes,
salads and homemade desserts, with fresh ingredients
and particular attention to quality.

You can customize your sandwich: choose the type of bread, the meat,
the veggie variant and all the reinforcements you want.

At Franz, there is something for all tastes!
